"We dare not ~~tempt~~ tempt
them with weakness. For only
when our arms are sufficient beyond
doubt can we be certain beyond
doubt that they will never be em-
ployed."

Each of the key words here can
be analyzed & reanalyzed inter-
preted & applied in various ways,
but it all leads to an assumption of
the continuation of the American
dedication of US military superi-
ority, as that is a fundamental
object.
